

# **Federal Communications Commission**

# **Hearing Aid Compatibility Status Report (FCC Form 655)**

Reporting Period: January 1, 2009 - December 31, 2009 Filing Confirmation Number: 0004093635

Filing Deadline: January 15, 2010 FRN: 0001650233

# **General Report Information**

## **Type of Company**

Service Provider

# **De Minimis Exception**

Did you offer more than two handsets over any air interface to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period? Yes

Did you offer any handsets to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period?

## **Company Information**

Company Name: Texas RSA 1 Limited Partnership, d/b/a XIT Wireless ("XIT")

PO Box: 711

Street Address:

City: Dalhart
State: TX
Zip Code: 79022

Contact Name: Kathy Duggan Contact Phone: (806) 384-7507 Contact Fax: (806) 384-3340

Contact Email: kduggan@xitcomm.net

# **Filing Agent**

Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: Bennet & Bennet, PLLC

PO Box:

Street Address: 4350 East West Highway, Suite 201

City: Bethesda
State: MD
Zip Code: 20814

Contact Name: Mr. Kenneth Johnson

Contact Phone: (202) 371-1500 Contact Fax: (202) 371-1558

Contact Email: kjohnson@bennetlaw.com

## **Product Labeling**

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? Yes Explain:

## **Public Website**

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: http://www.xit.net/shop\_online/phones.asp

Explain:

#### **Consumer Outreach**

Describe consumer outreach efforts in the past 12 months: XIT maintains a public website displaying their entire selection of handset and devices, including those that are HAC-compliant. XIT's sales staff is trained to assist existing and prospective customers in identifying HAC-compatible handsets and devices. Existing or prospective customers can typically find whether a handset or device is HAC-compliant by either checking the packaging containing the handset/device, or by consulting the packaging insert or operations manual. XIT displays the HAC rating for all HAC-compliant handset/devices on the pricing information card. XIT also has a large poster on display to advise customers that HAC rated phones are available. For more information on HAC, existing and prospective customers can be directed to www.accesswireless.org/hearingaid/brochures.cfm and other public websites dedicated to HAC education.

## **Methodology for Functionality Levels**

XIT offers HAC-compatible handsets and devices in all major price categories, including low-cost ("C" level) (<\$100), moderate-cost ("B" level) (\$100-\$250), and high-end/feature-rich ("A" level) (>\$250). Costs generally correlate with the number of features, but, if through experience, XIT finds that a certain handset contains features that work well with hearing aids, such as volume control, it will be labeled accordingly at the "high-end/feature-rich" or "A" level for functionality. XIT's sales staff is trained to assist all existing and prospective customers looking for a HAC-compliant device/handset. HAC-compatible handsets and devices vary in their inherent "levels of functionality," but typically at least one (1) HAC-compliant handset/device with features and services typical of its price category can be found that meets each customer's price range.
